

Sturges Road

Will be closed to traffic between Vintage Drive and Swanson Road from 25 September to 10 October 2010

Waitakere City Council is closing the road to remove the temporary Bailey bridge and complete stage one of the new Sturges Road Bridge.

During the school holidays, **25 September to 10 October 2010**, you will need to take alternative routes (see below).

Pedestrian access to the rail station and the temporary footbridge will be maintained. For your safety please follow the signs.

The road will reopen on **Monday 11 October** when one lane of the new bridge is open to traffic.

Work on stage two of the bridge will then begin and is expected to be completed in December 2010.

We thank you for your patience during this important work and apologise for any inconvenience.
