

Vendor Information Sheet for Event Recycling

Suppliers and vendors play an important role in event recycling. Your cooperation in supporting our events recycling would be appreciated.

Please consider the following in your preparation on the day.

- ⌚ Vendors are asked to take their own waste away for recycling or disposal.
- ⌚ Recycling and General Waste bins will be provided for spectators only.
- ⌚ Recyclables include:
 - Plastic 1&2 drink containers and milk bottles
 - Aluminium cans
 - Plastic 6 cups
 - Glass bottles
 - Tins
 - Programmes/Posters/Newspapers/Magazines/Cardboard
- ⌚ Divertible or Compostible
 - Food waste
 - Potato plates, corn starch and cutlery
- ⌚ General waste includes:
 - Food waste
 - Contaminated paper/ Paper towels
 - Non-recyclable plastic or paper plates.
 - Plastic bags
 - Plastic plates, cups and cutlery
 - Polystyrene and Wax paper cups
- ⌚ Plan to recycle from the start.
 - Consider how your stall can avoid creating waste before you go to the event.
 - Avoid using non-recyclable containers for drinks.
- ⌚ Education is essential
 - Event recycling is new to Waitakere City events.
 - There will be signage to inform spectators about the event recycling and these will be located at the entrances and recycling bays.
 - A4 signage will be made available to vendors to place near serving areas to encourage recycling.
