

IT'S RAINING! ACTIVITY SIX

Use this table to record your observations from the experiment.

	LIGHT SPRAY		HEAVY SPRAY	
effect after:	mountain of sand	mountain with leaves, etc	mountain of sand	mountain with leaves, etc
1 minute				
2 minutes				
3 minutes				

In your group, design an experiment to show whether hard surfaces such as roads, buildings and car parks cause more run off and less soakage of rain water.
