

IT'S RAINING! ACTIVITY SEVEN

GUESS WHERE WE ARE GOING

Make a list of all the places where water goes to once it falls out of the sky

Underneath our city streets, there are hundreds of kilometres of pipes buried. There are water supply pipes, stormwater pipes, and wastewater pipes. Write a one sentence explanation of each.

water supply pipes

stormwater pipes

wastewater pipes

Colour the pipes

Water Supply (blue)

Stormwater (green)

Wastewater (orange)
