

# STORMWATER ACTIVITY FOUR

Read this picture strip then do the activities.

1. Use your felts or colouring in pencils to give the pictures a new look.
2. Make up a short play based on this picture strip. Be sure to include raindrops, frogs and fishes. Add some characters of your own.
3. Look at the picture strip on It's Raining activity sheet 4. Use the information from both picture strips to make a list of all the things which cause pollution in stormwater.
