We are a group that operates from a Pacific Island Cultural perspective. Health and Safety is a complete state of physical, mental, social, spiritual and community wellbeing.

OBJECTIVES:

- * To provide a service to the greater Auckland Community in the area of prevention, education, counselling and the development of the Pacific Island Community.
- * To address the needs of families.
- * To facilitate community education for Pacific Island Families.
- * To empower *fanau* and families by supporting them to meet their own healing and prevention needs through education and extension of their own resources.
- * To coordinate with multi-racial and multi-disciplinary community groups in dealing with the Pacific Island Community.
- * To actively work to strengthen Pacific Island cultural values, of families and their communities.
