Students will use their general knowledge and maps to recognise and correctly spell some of the names of special places in Waitakere City.

We will be using the numbers on the telephone to decypher place names then try to encode some ourselves. What does 924825373 “spell”? Yes, you’re right, WAITAKERE. Now try some of the examples below.

BEACHES

1. 7442
2. 9428478
3. 8247274 787263
4. 4842
5. 83 43642

PARKS
