

This activity can be used as a post test. Adapt it to match the special places you have covered in your study.

# Information Hunt

Copy the chart into your book then answer the questions. Make the chart take a whole page of your book.

If you know the answer yourself put your name down as the source. See if you can get more than half right without help. Ask other people in the class to fill in any gaps.

**Q** = question
