Proj Details: The Peninsula women's conference began in July 2003. The programme was designed to build stronger, better informed, healthier women and families. The workshops provide opportunity for discussion and there was a keynote speaker who spoke on issues related to personal development. The afternoon programme embraced the diversity of interests women have. The need is for support for the 2004 conference.

Comments: Enclosed are the feedback from the attendess of the 2003 conference and they are very positive.
