Purpose of Grant: To purchase award and scheme books

Project Details: What we invest in our young people now will determine the quality of the society we live in tomorrow. Scouting can positively influence the transition from childhood to adulthood by developing in young people such competencies as leadership, self confidence, self reliance, problem solving, team work, responsibility for oneself and other organisational abilities. The grant will help us form the foundation/develop all the above while the children are having fun with arts, crafts, physical challenges and what a gift we will be giving. The sport award scheme has been incorporated into the national programme. All our leaders have been on courses "as how to implement the programme" we wish all children to have a award book that will go from keas to venturer and on to Queens award.

Purpose of Grant: Assistance with Community development and closer relationships
Project Details: Community Development, building closer relationships within the community. Breaking down ethnic and cultural barriers within neighbours and build strong networks to development. Eg- mowing lawns for elderly, painting out tagging and fences, removing rubbish, community dinners.
Comments: This funding is to help one street (Afton Place, Ranui). The equipment that will be brought and the activities organisaed will be run and looked after by Anne Toia, however will benefit the whole street. Anne has big dreams of making this project successful and to make the street more welcoming and friendly. Anne has so far done a lot of work with the street and would like to improve how things are done and be able to set up an organisation managed by the street so they can do more.

Purpose of Grant: Administration and running costs**Project Details:** The Ice Box is an after school hangout programme on Tuesdays and Thursdays from 3pm - 6pm in which high school students can receive a free drink and snack. Anything after this is based on a donation that goes to local and global charities. While at the Ice Box youth can play games, listen to music, receive help with homework and just be themselves in an environment focused on them.**Comments:**

Purpose of Grant: Venue hire, bus and equipment costs

Project Details: This funding application is for venue, bus and equipment costs for a weekly English class in Massey, West Auckland for Burmese refugee mothers with small children. The women recently settled in Massey as refugees and have found it difficult to intergrate into New Zealand society as they have not been ablt to access English classes due to having to look after their children.
