**Purpose of Grant:** To help purchase a Listening Post and ITV DVD player

**Project Details:** Rosier Road Kindergarten provides high quality education for children between the ages of 3-5yrs. 1. The Listening Post: This is special equipment which will be used with small groups of children so they can work uninterrupted in a noisy classroom environment. The children use headphones to block out background noise, so they can concentrate on sound games, special listening games and short stories. 2. TV/DVD Combination Set This will be used when we hold parent educational evenings on specific topics relating to their child's education. It will also be a great tool for replaying back learning experiences that the children have worked on. They will be able to watch themselves working and playing with their friends. Financial Statements from 31 December 2006 the Net Operating Surplus (NOS) = 12.6 k.
