BACKGROUND

1. The Te Atatu Peninsula Christmas Parade is an annual event that has been held for many years. It is well organised and carried through without problems. This year the parade is planned for Saturday, 4 December 2010.

DECISION MAKING

Issues

Route Details

2. The parade will begin in Hereford Street, proceed up to Te Atatu Road onto Gunner Drive then into Pringle Road. The parade will then conclude for an after party in the park adjacent to the Te Atatu Peninsula Community Centre.
3. The parade is due to commence at 11.00 am and is expected to finish at 2.00 pm.

Consideration of Community Views

4. Public notice of Council's intention to consider road closures has been given with objections closing on Friday, 17 September 2010.
5. No objections have been received at the time of the report preparation and any objection received will be tabled at the Henderson Street Events Subcommittee meeting.

STRATEGIC CONTEXT

6. Street events provide quality and friendly activities for the community to be part of. They support the development of community identity and create community spirit, giving a sense of belonging. As such, they contribute to the Council's strategic objectives in creating strong communities.

CONSULTATION

7. As this is an annual community event, consultation was not carried out for the Christmas Parade.

RESOURCES

8. There are no resources required for this event other than staff time.

IMPLEMENTATION ISSUES

9. The traffic management plan has been provided by Action Traffic and approved by the Council. Action Traffic will supply a Site Traffic Management Supervisor who will implement the Traffic Management Plan and be responsible for traffic safety. The Site Traffic Management Supervisor will be assisted by marshals.

AUCKLAND COUNCIL TRANSITION ISSUES

10. The decision making proposed in this report is not constrained by section 31 of the Local Government (Tamaki Makaurau Reorganisation) Act 2009, as it does not directly or because of its consequences: significantly prejudice the reorganisation, significantly constrain the powers or capacity of the Auckland Council or any subsidiary of the Auckland Council following the reorganisation, or have a significant negative impact on the assets or liabilities that are transferred to the Auckland Council as a result of the reorganisation.

Report prepared by: Jane Harris, Transport Technician.
