Henderson

Attention – Christine Shepherd

Dear Christine and community board members,

I write on behalf of our youth in McLaren Park / Henderson South to express our thanks for the funding of \$1300.00 allocated for a talent quest. This will once again give our community a fun, family meeting time and at the same time build our self esteem, allow us to express our talents and have them acknowledged and enjoyed by all.

We will advise when the event is as we would love for you and your board to be in attendance and perhaps even be one of our judges!

Once again, we are most appreciative.

Thanks and kind regards

Caroline Mc Curdie
MPCP Coordinator
