Waitakere City

3 August 2007

To The Chief Executive Officer,

I wish to offer my resignation from the role of Waitakere City Councillor due to family health issues and career opportunities in other areas.

I have thoroughly enjoyed my term as a councillor for Waitakere City and it is with deep regret that I feel obliged to move on. However I feel that in my current situation I am unable to serve the City as fully as I should as a City Councillor.

Please accept my resignation.

Ewen Gilmour
