

LIPLESS PRAM CROSSING
(WHERE FOOTPATH SEPARATED FROM KERB)
N.T.S.

LIPLESS PRAM CROSSING
(WHERE FOOTPATH NEXT TO KERB)
N.T.S.

SECTION THROUGH LIPLESS PRAM CROSSING
N.T.S.

NOTES:

1. A lipped crossing may only be used where stormwater control is essential.
2. In commercial areas hazard and directional tactiles may be required.
