Introduction

Directory of ESOL Provision for Refugees and Migrants *Waitakere City*

- The directory has been designed mainly for the use of ESOL Providers and those organisations that provide information to refugees and migrants
- Terms describing levels of English provision such as "Beginners", "Elementary", "Intermediate" and so on should be used as a guide and may differ slightly between providers
- To the best of our knowledge information contained in the Directory was accurate at the time of publication, April 2009
- The Directory was compiled by TrainSmart, the training Division of Waitakere Enterprise, to *achieve an integrated approach to the provision of ESOL in Waitakere City*
- Providers are listed in alphabetical order
