What are Learning Centres?

The Learning Centres are part of the Waitakere Library and Information Services. We offer you free help, advice and support for using computers and information technology.

Who can use Learning Centres?

Anyone can use the Learning Centres. It is free for all library members and children attending school in Waitakere City.

How do I Join?

All you need to do is visit your local Learning Centre to register. You will need a library card and two minutes of your time. If you don't have a library card the Learning Centre Coordinator can help you get one.

We Offer Learning Opportunities ...

Whether you have a computer at home or have never used one before, come and learn the basic skills for personal, business or study use.

- BEGINNERS COMPUTING CLASSES
- ICDL: International Computer Driving License: An NZQA qualification in basic computing skills; distance learning through UNITEC
- ONE ON ONE SESSIONS
- LITTLIES, THE MOUSE AND ME
You can learn how to access and use those great sites and programmes your friends talk about, while your pre school child learns how to have fun on the computer.
- SPECIALISED PROGRAMMES:
An ever-changing range of specialised programmes. Call us or visit us to learn what we are offering this month.

Use your library card to access databases, multicultural newspapers, articles and journals from home

We Offer Community Services ...

- JOB HUNTERS CLUB:
Having trouble finding a job? Come to the Learning Centres to get help to improve your job-hunting skills.
- COFFEE AND COMPUTERS CLUB:
For the Golden Oldies, this is a social club making computers fun. It runs over two hours with a break in the middle for a coffee or tea. Gold coin donations for refreshments apply.

We also offer a growing range of services for:

- New and recent migrants and refugees
- Teens and young people
- Our local community groups

We Offer Programmes for Children

- SCHOOL HOLIDAY WORKSHOPS
- HOMEWORK ZONE:
Come in to learn research skills and get help with your homework
- ONE ON ONE HELP:
Use our fabulous e-resources, library catalogue, the Internet and Microsoft programmes for school and personal projects.
