**Proj Details:** They require funding to complete a project partially funded by LTSA. The project teaches the road code to their refugees. They will supply an interpreter and the costs of an AA instructor will be supplied by LTSA. The costs of the road test is not covered by this funding and for these families the \$80.00 each is prohibitive.

**Proj Details:** It is important for the mental wellbeing of the refugee residents to be able to occasionally enjoy an outing. Most of their residents are 'Conditionally Released' by the Immigration Department and as such do not have the financial means to afford anything but their food. Many of these refugees have experienced very traumatic incidents and these outings provide a memorable experience of our beautiful country and culture. In the past they have visited Cinemas, beaches, countryside, and Henderson Pools.

**Proj Details:** The Warrior Kids is a holistic life skills course for children and adolescents. The course has been provided for communities & schools since 1994. It focuses on self mastery and covers management of emotions, such as anger, keeping oneself and others safe, taking responsibility for ones behaviour, developing self esteem, leadership and social skills. This has been running since 2003 within the school!

**Comments:** Parents and teachers have expressed that as a result of previous programmes the behaviour of children who have been through it has improved. Support for this programme comes from the District Maori Adviser of the Ministry of Education and other local schools who have held this programme and seen the benefits of it.
