**Proj Details:** This application seeks to run 8 Attitude programmes in Henderson High School during 2005. Attitude programmes inspire young people to believe in themselves, set goals and apply life skills that will secure a healthy future. They seek to encourage mental and emotional resilience and to prevent the tragedy of youth suicide, misguided relationships and low sense of worth. The Attitude programme develops young people by teaching them how to make good decisions.

**Comments:** This programme aligns with Councils strategies of improving mental and physical wellbeing. This programme is presented to over 100,000 High School Students each year and delivers 1200 one hour presentations.
