Dispensation Application

Introduction

An exemption is a discretionary power conferred on Council by Section 6 of the Fencing of Swimming Pools Act 1987, to allow in certain circumstances exemptions from the requirements of the Schedule of the said Act.

Information to be Provided

To avoid delay in the processing of your application the following information **must** be provided.

1. PLANS showing position of swimming pool in relation to house and boundaries, and position of existing and/or proposed fencing. Also the height of the fences, and material of which they are constructed must be stated. Photographs may be provided for clarification.
2. REASONS justifying the proposal. Council may only grant an application where there are circumstances warranting a dispensation from the standard requirements for fencing. The guidelines for fencing of pools are available at the Building counter. It must be shown that such an exemption would not significantly increase danger to young children.

The Council may impose other conditions relating to the property or the pool as are reasonable in the circumstances.

We seek for exemption as we have
had to spend \$4000 on fence
we have just renovated but can't finish
as we have run out of funds
we have started a new business which
made a \$40,000 bill in the first year
And the party is empty!
(we live in Glen Eden - not West Harbour
or Titirangi!)
