I have also purchased a pool net (similar to the one shown in picture attached). This will be positioned over pool. It has a 160kilo load capacity.

Reasons why proposal should be granted: (See reverse) Inspection by Swimming Pool Advisor Neville Exler, revealed that this small pool has excellent safety measures in place. The pool is located in a small courtyard at the rear of the house. It is protected by child proof gate & 1.9m fence. Doors leading to courtyard all have key lock top deadbolts and key locks.
