Children's Christmas Giftmaking 2008

Waitakere's fun annual children's giftmaking event is on December 6 at West Wave Recreation Centre in Alderman Drive, Henderson this year, and it's a fantastic way to remind kids that Christmas doesn't come out of a store. Children can enjoy many different gift making activities at this free event.

Around 800 children are expected to attend this year. To make the event a success, the council is seeking donated materials and volunteers from the community.

If you'd like to donate something (and clean up your cupboard while you're at it) the council is looking for craft materials like terracotta pots and tiles, old boots and gumboots suitable for planting and painting, collage materials, stickers, beads, broken jewellery, plastic flowers, old leis, giftwrap, ribbon, cellophane, leather pieces, small canvasses, brushes and fabric.

If you have time to spare, you might like to help children make gifts. To volunteer for either one of the two sessions (9.00am—11.30am or 12.30pm—3.00pm) or to donate items, please phone the WCC Call Centre on 839 0400.

Children must be pre-registered in order to attend Christmas Giftmaking and they also need to be accompanied by an adult on the day. To register your child phone the WCC Call Centre (above).

Happy participant at Christmas Giftmaking 2007

2008 Project Twin Streams Art Initiatives Transform Our Community

2008 has been a busy year for the Project Twin Streams urban renewal programme. Apart from holding thirteen community planting days, PTS also coordinated a large number of public art making initiatives. With the help of Art Coordinators Janet Holt and Mandy Patmore, and other community members, Waitakere children have created a number of eco-conscious public artworks around our city.

In May, Mayor Bob Harvey helped Bruce-McLaren intermediate students to unveil their beautiful stream mural, and in September the PTS Eel paid a visit to Storyfest to help Samoan storyteller Koroseta To'o with the telling of 'Sina and the Tuna'.

October saw the launch of the inaugural Project Twin Stream Art awards, held in conjunction with the Waitakere Trust Art Awards. The awards were a great success with over 40 pieces of original art work entered in both the sculpture and painting categories. First prize in sculpture went to Ann Uerata and Rachel Bebbington Sheary was placed first in the painting category.

Local primary students also got the chance to exhibit in 'Our Streams, Our Dreams' at Titirangi's Lopdell Gallery. The exhibition was part of an educational program run by Iona Matheson which encouraged students to think about what their dream stream would look like.

In December PTS will finish up the year with three artwork openings. On December 5 the Tree Stump Carving on Henderson Creek, which has been carved by Maori master carver Sunnah Thompson using drawings from students at Sunderland School and Nga Kakano Christian Reo E Kura, will be blessed. Two murals will also be unveiled at Holy Cross School and Sunnyvale School. Holy Cross's project focused on 'Eels, Geckos and Fantails', and Sunnyvale students painted creatures that live in and around the stream onto tiles.

Waitakere City Artists' Open Studio Weekend

Waitakere City's artists are invited to register for the 5th Annual Open Studio Weekend, to be held on March 7 & 8, 2009 (from 10am—4pm).
