

## COMMERCIAL RUBBISH AND RECYCLING COLLECTIONS

### What every business needs to know

Council only collects “commercial household waste and recycling” from businesses. This is the general rubbish and recycling generated by employees at meal and break times. The Council does not collect commercial waste or recycling generated by a business’s operational activity. Businesses must make their own arrangements with private contractors to have commercial waste and recycling collected.

#### RUBBISH:

**Commercial household waste is collected from all businesses in the former Waitakere City Council area:**

- three times a week on Tuesdays, Thursdays, and Saturdays after 6pm.
- Rubbish must be in grey pre-paid Auckland Council bags and put out between 5 – 6pm on collection days only.

#### RECYCLING:

Blue 140 or 240litre mobile recycling bins are supplied by Council to businesses in the former Waitakere City Council area, and collected **fortnightly**. If your business would like to order a bin please complete the enclosed form and post it to the Council in the pre-paid envelope supplied.

**Central Business Districts (CBD) in Henderson, Glen Eden, New Lynn, Titirangi and Te Atatu:**

- Collected fortnightly on Tuesdays after 6pm. Bins must be put out between 5-6pm on collection day only. Please see reverse side for a table of CBD boundaries.

**Businesses outside the Central Business District areas:**

- Collected fortnightly on the same day as your area’s residential recycling and paper collection. Bins must be put out by 7.30am on collection day only. Please contact the Call Centre on 301 0101 for your area’s collection day.

#### PAPER AND CARDBOARD

Please put paper and cardboard for collection in a bag or securely bundled. Polystyrene and other plastic packaging is not collected.

**Central Business Districts (CBD) in Henderson, Glen Eden, New Lynn, Titirangi and Te Atatu:**

- Collected **weekly** on Tuesdays after 6pm. Paper/cardboard must be put out between 5-6pm on collection day only. Please see reverse side for a table of CBD boundaries.

**Businesses outside the Central Business District areas:**

- Collected **fortnightly** on the same day as your area's residential recycling and paper collection. Paper/cardboard must be put out by 7.30am on collection day only. Please contact the Call Centre on 301 0101 for your area's collection day.
